

# Increase inclusion in Higashiyama, **Kyoto**

~to make the town a place of acceptance~

A37 Kyoto Municipal Hiyoshigaoka Senior High School Aoi Tanaka Toni Trauden Kei Nakai

## 1. Ideal City

A place where **everyone** can live easily  
↑  
**overseas tourist**, the elderly, women, disabled, LGBTQ+, etc.

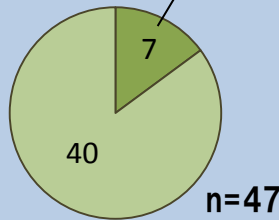

## 2. Present Situation

### ① Confusing for Foreigners

Foreigners who are not satisfied

### ② Complaints from Higashiyama residents

## 3. Causes and solutions

Both Foreigners and Japanese do not understand the diversity of culture and language.

**Create opportunities to understand cultural differences.**

## 4. Things we can do

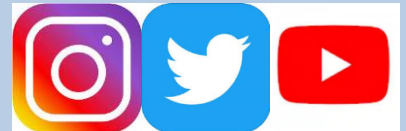

### ● School events

A workshop for residents to understand the differences between Japanese and foreign manners

### ● SNS

### ● Pamphlet

The way of thinking of “Diversity & Inclusion” spreads and many more people understand the importance of accepting others

**We can create a town where everyone can live easily**
